B.B.R. Select Stallion Stakes Guidelines

B.B.R. SELECT STALLION STAKES Incentive will be available annually
Futurity Incentive (@ Select BBR Sanctioned Futurity Races)

Divisional Jackpot Incentive (@ Select BBR Regional Challenge Tour Races and BBR World Finals)
Rodeo Incentive (@ Select American Qualifier Races, Semi-Finals and American Rodeo)

The annual B.B.R. SELECT STALLION STAKES purses are determined by the enrollment participation of both stallions and their progeny. B.B.R. shall use these numbers and their best judgment to determine both the quantity of annual incentive events and the amount to be distributed at each location. B.B.R. shall designate B.B.R. Approved events to receive SELECT STALLION STAKES incentive money. The criteria for the selection of such incentive events shall be based on proximity to participating stallions, produced by a producer in good standing with B.B.R., history of event including number of years in production, amount of added money, number of entries, etc.

STALLION ENROLLMENT...

Stallion enrollment period shall be August 1 thru October 15, annually. The annual season shall be January 1 thru December 31. Participation fee for stallions with performance age progeny shall be \$1,500 (\$1000 enrollment fee/\$500 to Directory fee). Stallions that do not have performance age progeny may participate for two seasons by paying \$500 directory fee and donating a breeding for the B.B.R. SELECT STALLIONS STAKES YOUNG GUNS STALLION SERVICE AUCTION (auction shall be held between January 1 and February 25th annually).

Should a stallion enroll then drop out or lapse on annual enrollment, the annual participation fee will be \$2,000 plus \$250 per season that stallion was not participating.

There is no limit to the number of stallions that will be accepted for participation and no waiting list. Stallions must meet the required acceptance criteria.

Participation will be by invitation only – Stallions invited by BBR will be accepted for participation. All stallion owners who contact BBR inquiring about participation in this program will be required to provide their stallion's registered name and supporting research to confirm a stallion possesses the required criteria for enrollment.

Criteria for Invitation to Participate - Must possess at least one of the following criteria:

- Be a Proven Runner and/or Performer
- Be Sired by a Leading Sire and out of a Proven producer with at least one Proven half sibling
- Be a Proven Sire of Race and/or Performance Progeny

(*Proven defined as official performance record with AQHA, APHA, ApHC, or Equi-Stat, with Earnings on the track and/or in the performance arena)

All stallions are required to be included in the B.B.R. SELECT STALLION STAKES DIRECTORY to participate in this program.

PROGENY ENROLLMENT...

Grandfathering of progeny foaled prior to a stallion's initial enrollment will be allowed for the life of the program, so long as a stallion maintains consecutive annual enrollment, for the following fee:

- Horses of any age which were foaled prior to a stallion's initial enrollment \$200

Progeny of a stallion who is currently enrolled which are the resulting offspring from a season during which a stallion was enrolled will be accepted under the following fee schedule. Likewise, the progeny of stallions who have dropped out the B.B.R. SELECT STALLION STAKES program will no longer be accepted under the Grandfathering definition and only the resulting offspring from a season during which the stallion was enrolled will be accepted under the following fee schedule:

- Two-Year-Olds \$250
- Three-Year-Olds \$400
- Four & Five-Year-Olds \$500
- Horses Six Years Old & Older \$600

SELECT STALLION STAKES Incentives shall be split 60% to the Owner, 40% to the Stallion Owner. Office fees will be deducted upon receipt of the payment for promotion and administration of the B.B.R. SELECT STALLION STAKES program.

The incentive money portion of nomination/enrollment fees from horse(s) not yet of competition age will be held for payout until a futurity horse's four-year-old year unless B.B.R. SELECT STALLION STAKES is notified in writing by November 1st of the horse's three-year-old year, that the horse will not be competing until it turns five-years-old.

The incentive money portion of the enrollment fees for horses of competition age received between January 1 and September 30 will

be added to the incentive payout the year it is received. Enrollment fees for horses of competition age received after October 1 and before December 31 will be added to the incentive payout the following year.

Incentive monies will be paid only at selected sanctioned events over the course of the season and distributed directly by B.B.R. Should there be fewer participants at an incentive event than the recommended incentive payout provides for per class, 100% of the advertised amount will be redistributed accordingly in placing order to those in the class.
